TROPICAL STORM / HURRICANE PROCEDURES

If Saint Lucie County Public Schools close prior to a Tropical Storm/Hurricane Warning being issued due to rapidly deterioration weather conditions, then Ivy League may close as well. This will be determined prior to the storm conditions becoming unsafe for the parents to pick up children from school.

Ivy League's vans are not allowed on the road if weather conditions prohibit them from traveling (winds a 35mph, driving rain, hail or flooding). Parents would then be responsible to pick their children up from public school.

Tropical Storm/Hurricane Watch: We will notify parents to watch the news and look for further updates.

Tropical Storm/Hurricane Warning: If this occurs during normal business hours, Ivy League will start calling all parents. Parents will have one hour to come in and pick up their children from the center. This means a hurricane is scheduled to hit the area within twenty four (24) hours.

Closings: If the area is put under a Warning when the school is closed, Ivy League will not be open for business the next day. If a Tropical Storm/Hurricane Warning is issued and a Hurricane is going to hit our area, Ivy League will remain closed until after the storm has passed and the local government has declared it safe to resume normal business operations. The school will then open for normal operations as long as all utilities have been restored and any damage to the school has been repaired. Ivy League will re-open if the prior conditions are met even if public schools remain closed.

Updates: Please keep up to date by calling the school, checking your text messages, e-mails and by listening to the messages on the school phone. The school phone number is 772-785-6505 or e-mail info@ivyleaguepa.com If you do not have phone service please come to the school to view any notices posted on the front door.

Update Information: Please update your cell phone carrier, cell phone number and e-mail addresses with administration.

Ivy League Preschool Academy is a cell phone free facility.

Sign In and Out Sheets

Parents: **Your child's sign in and out sheets are extremely important.** Please remember that you must have a full signature and the exact time of drop off and pick up. This is extremely important for our attendance procedures. Thank you
